

KAP(SS) 4 KID(SS)

"No one stands so tall as when they stoop to help a Child" Abraham Lincoln

The Kap(SS) 4 Kid(SS) Program is part of the United States Submarine Veterans Charitable Foundation, the charitable arm of the United States Submarine Veterans, Inc. The goal of the program is to visit children with serious medical issues to let them and their families know that there are people who care and are thinking about them.

The submarine veterans of the USSVI Northern Virginia Base have partnered with Inova Hospital's Pediatric Oncology Ward in Fairfax VA. We visit the unit several times a year spending time with the children and their support teams, presenting them with Honorary Submariner caps and certificates, and other submarine related items including setting up a small library of books on what life on a submarine is like and how submarines are made and operated.

Our Kap(SS) 4 Kid(SS) chairman is Steve Bishop who can be contacted at Secretary@ussvinova.org.
